NOTICE OF ANNUAL GENERAL MEETING

The 9th Annual General Meeting will be held at the Elmwood Bowling Club, on Wednesday
4th September 2013 at 7pm.

AGENDA

1. Apologies
2. Confirmation of minutes of last AGM
3. Adoption of Annual Report
4. Adoption of Financial Report
5. Election of Officers
6. General Business

Presidents report

Ladies and gentlemen, Life Members, members and friends of the club, it is with great pride that we conclude a season full of success on the field and substantial progress off the field.

The replenishment of trophies in the OBC trophy cabinet and the re-writing of representatives on the honours board is testament to a club that is not only the cricket players choice, but is the club that those outside it's playing ranks view as a positive and progressive club in the national club arena.

This of course doesn't 'just happen'. Endless volunteer hours by a committee of club people, who share similar views and passion for this club that I do and I wish to thank all of them, Jason, Courtney, Ryan, Paul, Matt, April, Matt, Mandie, Simon and James. All have engaged in club work, at the expense of their own personal time. It is a thankless task but as each season concludes, we can draw satisfaction of a job well done. I would like to specifically acknowledge both Jason for his work on the financial controlling of the club and James for his secretarial and administration over this past season.

Off the field the big issue was the proposed, and recently, acceptance of an international cricket venue at Hagley Oval. The frustration of having resistance from a group of narrowed minded individuals was thankfully overruled by the environmental court and the development can now continue to its showpiece of the opening match of the 2015 cricket world cup.

OBC of course has much involvement in this development with the Hadlee Pavilion at the Oval needing to be purchased and removed to make room for the new pavilion. We await communication with the CCA on this.

In the interim, we have been fortunate to lease the Hagley pavilion for a majority of the time to those contracted to re-level and re-lay the new pitch and outfield and this has allowed us to cover costs of having the pavilion.

At Elmwood, Balanced Fitness continues its use of the cricket pavilion whilst we work in with The Elmwood Club on its development of the area.

The removal of the concrete block changing rooms was a necessity for safety and the club now has purchased 3 moveable modular units to form 2 changing rooms and a scorer's room and an umpires changing room. We are also progressing ideas with architects / builders for adding showers and toilet facilities to our existing pavilion. These would replace the now unused bar and office space.

We are working closely with Ricki Jones at The Elmwood Club on an overview plan of facilities as it's a fine line between investing in things temporary and permanent and I would like to thank Ricki for his efforts and involvement with OBC.

On the field, we have performed admirably in all grades and, as important, have been able to field teams in more grades than most other clubs. With 8 men's teams, 4 woman's teams and 50 junior teams we had a lot of cricket being played. Add to that OBC collected 4 titles;

- 2As taking out the Robbies 1 Day Championship as well as the 20/20 championship
- Premier Men collected the Metro 1 Day Championship and went on to claim the National Club Championship. A feat that showed not only the playing depth of this team but also the fantastic team unity that Knighty and Paul Mac have established with these lads.

A special thanks to Paul Knight and Paul McEwan for their leadership, coaching and general involvement with the men's premier side. The same is said to Mandie Godliman, who, over what is now many years, she has taken the women's section under her very capable wing and delivered yet again a polished and professional coaching, selecting and leadership role.

The club laid claim to many new representatives this season. Players, who with continual hard work will lay further claim to national ranks.

They are being talked about around the sports bars and as one ex OBC player (England spinner Graeme Swann) said to me after leaving Elmwood Park for Trent Bridge, "when the press start talking about you, it means things are going to start happening".

- Todd Aistle (Black Caps, Canterbury Wizards)
- Erin Birmingham (Black Ferns, Canterbury Magicians)
- Matt McEwan (Canterbury Wizards)
- Logan van Beek (Canterbury Wizards)
- Ed Nuttall (Canterbury Wizards)
- Hannah Linton (Canterbury Magicians, Canterbury U21)
- Joel Abraham (Canterbury A)
- Theo van Woerkom (Canterbury A)
- Laura Hughes (Canterbury U21)
- Meg Lay (Canterbury U21)
- Ery Henry Winchester (Canterbury Kiwis)
- David Wakefield (Canterbury U19)

To our club Sponsors, No4 Restaurant and Bar and Cricket Express, I wish, on behalf of the club, our sincere thanks for your support for not only this last season but the many before it. Clubs like ours are operated like a business model and to know that the constant increased costs can be helped by your involvement.

I would also like to mention Peter Timbs Butchery and Traiteurs of Merivale for their generous involvements at the drop of a hat for junior prize givings or end of year BBQs.

On a sad note the Christchurch community lost Mr Fred Shaw who passed away at the end of May. The following is Fred Shaw, defined by good friend, Geoffrey Beadel –

Fred Shaw was captain of cricket and rugby at Christ's College in 1943. He played Senior cricket for Old Collegians from the mid 1940s to around the late 50s. During this time he opened the batting - he was not a bowler and his fielding was only average. He spent most of his time at 3rd man and had a long walk at the end of each over. He was a very good opener and although not making many big scores, invariably did his job and took the steam out of the opening bowlers.

Fred lived at Tai Tapu and travelled on a very old and dirty motor-bike, on which he had to use leggings. Frequently, when dismissed, he would mount his bike and go off to the TAB for a little gamble.

RIP Fred.

To conclude, we need to remind ourselves that it is important to put back into the club. You play your cricket there and great times are created in and around those playing days. My time playing premiers for OBC seems years ago, in fact it was, but it always remains my club and like 1000s who have played here, each Sunday or Monday, we check to see how our club performed week in and week out and a sense of ownership and pride is formed.

We are the National Club Champs We are the Mighty OBC

Notes to the Financial Statements

Christchurch High School Old Boys' Old Collegians Cricket Club For the year ended 31 March 2013

1. Statement of Accounting Policies

Reporting Entity

Christchurch High School Old Boys - Old Collegians Cricket Club formally Christchurch High School Old Boys' Cricket Club is a club incorporated under the Incorporated Societies Act 1908.

General Accounting Policies

The following general accounting policies have been adopted in the preparation of the financial statements. The measurement base adopted is that of historical cost and reliance is placed on the fact that the entity is a going concern,

The matching revenue earned and expenses incurred used accrual accounting concepts.

Differential reporting

The Club qualifies for differential reporting exemptions. All available reporting exemptions have been adopted as it is not publicly accountable and is not large (as defined in the framework for differential reporting).

2. Changes in Accounting Policies

There have been no changes in Accounting Policies. All policies have been applied on bases consistent with those used in previous years.

3. Fixed Assets and Depreciation

All fixed assets are recorded at cost less accumulated depreciation.

Depreciation of the assets has been calculated at the maximum rates permitted by the Income Tax Act 2007.

The entity has the following asset classes:

Buildings, 2.5% Straight Line

Cricket Equipment #1, 50% Diminishing Value

Cricket Equipment #2, 50% Straight Line

Furniture and Fittings, 20% Diminishing Value

Grounds Cover, 10% Diminishing Value

LCD 42inch TV, 48% Diminishing Value

Mower, 16% Diminishing Value

Plant and Equipment, 10% Diminishing Value

Plasma TV Storage Cabinet, 9.6% Diminishing Value

Practice Block and Nets, 10% Diminishing Value

4. Related Parties

There were no related party transactions during the year under review.

5. Goods and Services Tax

These financial statements have been prepared on a GST exclusive basis with the exception of Accounts Receivable and Accounts Payable.

6. Canterbury Earthquakes

In September 2010 and February 2011 there was significant earthquakes in Christchurch which caused damage across the city.

Notes to the Financial Statements

Currently OBC has received an insurance payment for the damage to the Elmwood Pavilion and attached changing facilities. Due to this receipt the insurance on Elmwood pavilion is extinguished until such a time that the repairs are completed. The Hagley pavilion is undamaged and still fully insured. At year end the process has begun to find a contractor and begin the necessary processes to have repairs performed but no work has yet to be started or contracts entered into leading to a operating or capital commitment.

7. Accounts Receivable

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

8. Audit

These financial statements have been subject to audit, please refer to Auditor's Report.

9. Accounts Payable

Creditors and other payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method. Trade payables and other payables are non-interest bearing and are normally settled on 30-day terms, therefore the carrying value of trade payables and other payables approximates their fair value

10. Contingency Fund

Old Boys collegians Cricket Club has a contingent liability to the HSOB Burnside Hockey Club (Inc) in the event of the pavilion being sold or destroyed. The actual amount of the contingency is based on the capital contributions made by the Hockey Club to the pavilion.

11. Fixed Assets

The entity has the following fixed assets recorded:

Buildings	37,716
At cost	48,106
Less Accumulated Depreciation	(10,390)
Cricket Equipment #1	3
At cost	856
Less Accumulated Depreciation	(853)

Audit Report.

Christchurch High School Old Boys – Old Collegians Cricket Club Inc

To the reader of the financial statements of the Christchurch High School Old Boys – Old Collegians Cricket Club Inc I have audited the Financial Report. The Financial Report provides information about the past financial performance of the Christchurch High School Old Boys – Old Collegians Cricket Club Inc and its financial position as at 31 March 2013.

Officer's Responsibilities

The Committee is responsible for the preparation of the financial statements, which fairly reflect the financial position of the Christchurch High School Old Boys – Old Collegians Cricket Club Inc as at 31 March 2013.

Auditor's Responsibilities

It is my responsibility to express an independent opinion on the Financial Report presented by the Incorporated Society and to report my opinion to you.

Basis of Opinion

An audit includes examining on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- 1 The significant estimates and judgements made by the committee in the preparation of the financial statements.
- 2 Whether the accounting policies are appropriate to the Christchurch High School Old Boys – Old Collegians Cricket Club Inc circumstances, and are consistently applied and adequately disclosed.
- 3 In common with other organisations of a similar nature, control over the income for activities prior to its being recorded is limited, and there is no practical audit procedures to determine the effect of this limited control.

Subject to the possible effect of the limited control referred to in the preceding paragraph I conducted the audit in accordance with the generally accepted auditing standards in New Zealand. I planned and performed the audit so as to obtain all the information and explanations, which I consider necessary. I obtained sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by error or fraud. In forming my opinion I also evaluated the overall adequacy of the presentation of the information in the financial report.

Other than in the audit capacity I have no other relationship with Christchurch High School Old Boys – Old Collegians Cricket Club Inc.

Unqualified Opinion

In all aspects I have obtained the information and explanations required.

In my opinion the financial reports fairly reflects the true and fair results of the operations of the year ended 31 March 2013 and the financial position of the Incorporated Society as at that date.

The audit was completed on 25 August 2013 and my unqualified opinion is expressed at that date.

Auditor
Address.

Meredith 10 *Alaerson Ave*
CHH.

Men's Club Captains report

What a fantastic year for OBC, probably the most successful since the amalgamation of the clubs and finally some reward for a whole bunch of people that have put in so many hours to get the club to where they are today. Firstly I would like to thank the committee of OBC for allowing me to take up the position of Club Captain. I hope I have done it justice compared to the exemplary service from the people before me.

Thank you to Simon Carter for his ongoing support and help for me. He basically ran the show with me just tagging along for the ride. Simon, the amount of work that you do, not just for the club, but also for me is incredible. The success that the club had had over the season has your fingerprints all over it. You should be very proud of your success personally and also for what you have created within the club.

To all the captains within the Men's side of OBC, thank you for your support. It's a tough job to captain at the best of times, but to organise a team takes plenty of hard work and organisation. The one day semi-final was one of the proudest moments of my career. To sit on Elmwood Park with 33 of my mates sharing the same pride and excitement was awesome. There are small moments in your career that you cherish, and that evening was one of the best.

To Paul McEwan, your input and guidance over the year was invaluable and the results speak for themselves. The impact you had on the playing group was huge and your knowledge into the art of batting not only paid dividends through the season, but it continued over the coming years. To Mike Johnson of STAC, thank you for the use of your facilities on Tuesday nights. It is often overlooked how much you still provide to the club. The use of your roller for the semi-final proved the difference and Joel is very happy with the impact you had. The success of the premier playing group was in no small way thanks to you, considering that you have recruited the majority of the playing list, so thank you for your help and guidance.

To Mandy and her merry crew of helpers, thank you for everything that you do. It's a wonderful sight Saturday morning to see all the youngsters running around Elmwood and all your efforts for the junior and women's development of the club are truly epic. We are the best club in Christchurch due to your influence, long may it continue. David Miles thanks for your work this year, on what I think are the best all-round wickets in Christchurch.

To the Van beek family, we send our deepest regards on the passing of Sam. Everyone has a Sammy story to tell and I have been truly honoured to only the legend of Sammy for these last couple of years. It was one of the highlights of my cricketing life sitting down next to Sammy and listen to him hold court. His wisdom and humour isn't lost on the boys and I can still hear him in the back of my mind every time I get hit on the pads: "use your bloody bat mon."

Todd Astle, what a year" Blackcap, 2 x time man of the match in the clubs two biggest games, getting engaged to the lovely Rachel and becoming immortalised (thanks to Sportsstars) on your own playing card. Well-deserved on your achievements this year. The club has been really proud of your efforts.

The team reports will follow, but a few short notes for the teams.

Premis

An amazing year, culminating in Auckland and the national club champs. I will never forget that week even though it's hard to forget, considering I drink my orange juice out of the cup every morning. Thank you to Phil Kelly, our illustrious scorer/lolly provider. It's no coincidence that once the lollies started we started winning. Thank you for your help. You're truly invaluable.

2A – Scrapheap

Matt/CJ, congratulations on your continued success, even more so considering how many players we used through the premiers. This proves how valuable your leadership and the way that you play the game are to the whole club. Your success has had a huge impact on player and personal development within the club and the core group of players just as Kevin, Greg, Ryan, Simon and Jason has an unseen impact on the playing group with the way that they approach the game. So congratulations and if the breakers can threeppeat, what's stopping you?

2B - Gators

To Andrew and his rag-tag motley group, congratulations on making it through the whole season! The success of the team was one of the more unexpected joys of the season the midseason additions of Lucky, Allan and Hash Brown had a great influence on the club. The final night celebrations were great to share with the Gators and it shows how far the club has come in recent years, where Reid pointed out that it's great to sit there and have a chat with anyone one of the boys from the Prem team down and be genuinely interested in how each other went.

Presidents

To Tim and the boys; congratulations on your season and thank you for all your support throughout the year. The boys take a keen interest when we play side by side as it the natural evolution of a player to end up with the Pressies. Your messages of support during the Auckland week meant a huge amount and it's great to see how much the success meant so many people of the club. The boys always love the way your team play the game, especially when one of the boys is trying to smash every ball over the trees at Elmwood.

Premiers

Overall a fantastic year with the culmination of winning the national champs in Auckland. We've achieved success a bit sooner than I imagined, but full credit to the boys to getting the job done.

One Day

We had a great bowling unit that generally kept us in every contest. Ed Nuttall with 20 wickets was the stand out, and really came along in leaps and bounds this year. It's amazing to see what a yard of pace can do for you, and Ed was really a cut above. Joel once again led the way with the bat, with a fantastic hundred in the semi-final. Ahbi Shrikande was a superstar in his new position of opener it added a stronger dynamic to the team. The boys got on a roll with a great win against East's in round 2, defending 120 we rolled them for 60. We then strung a few together, only dropping a game against St Albans. We batted East's out of the game in the Semi with Joel and Ahbi putting over 150 for the first wicket to set us up. The boys bowled fantastically to dry up East's where we defended 240. The final was a true workman like OBC game, with Todd gutsing out a top quality 80, with key 20's and 30's from Ben Bellamy and Rammy Singh, gave us a defendable total. The key wicket was Shannan Stewart and Logan knocked him off with one of the best balls I have witnessed. From there we steam rolled the top 6, with a minor partnership we came back to knock them off and win the cup.

Two Day

Once again, we were really competitive all the way through we just ran into a couple of teams that gave us some tough challenges where we couldn't generate enough points. Some fantastic results were Theo against Burnside spinning the team to victory, David Wakefield after a difficult start strung together 3 50's towards the end of the year. Dave's partnership with Greg McCarthy at Marist was a real highlight and really showed what both of those boys are capable of. In the end we were missing some of the Wizards boys at key stages, but overall we were competitive in every match.

20/20

Game one against St Albans, we bowled them out for 110, were in strife at 4 down after 3 overs, and had Theo and Bells get us home.

Game 2, We defended 120, with Nuts bowling a fantastic couple of death overs to get us home.

Game 3, against East's, they got away from us in the end and we couldn't chase down their total. So we finished 2nd in the group and missed out on the final.

National Championships

An incredible week, something to really special to share with 15 blokes and is honestly the greatest achievement I have achieved in cricket. Some of the performances were a true showing of the character of the boys and something that they can always think back to and very proud.

I was a great year for the club and the boys who represented the premiers. Four boys received their caps, which is a huge honour, with in all likelihood another 3 to 4 to get their next year. Which really shows we are building a strong group. The true challenge is to back up and continue what we have achieved and be one of those clubs that everyone wants to beat.

Paul Knight

2A (Scrapheap)

2As had a successful year winning two out of the three trophies up for grabs. There were a few new faces this year so the team were very pleased to come away with two trophies.

Best batsman for the season was Kev Murphy
381 runs
12 innings
1 not out
Average 34.6
2 100's

Best bowler for the season was Ryan Astle
30 wickets
Best figures 6-44

3 other players took 20+ wickets and total of 500 100+ scores.

Adam Hastilow was 2A's Most Valuable Player contributing in all 3 aspects of the game.

It was unfortunate in the end that we could not also take the two day trophy. We seem to lose players at the back end of the season each year for one reason or another so it would be good to look into how we can improve on this in the future.

Matt Ede

2B

On the back of a disappointing 2011/2012 campaign which saw the Gators dissolve before the seasons end, this crusade was to be different. With new recruits from Canterbury and abroad the new look team started well, with steady contributions from Liam Wood with the bat often setting the tone for the day. Good performances against LPW and Sydenham meant the Gators reached the one-day final, only to fall short following a horrific batting collapse.

Unfortunately, this started a steady decline for the reptiles. Nonetheless, there were some notable highlights from the 2day campaign. Hundreds from Aaron Chapman and Jason Middlemiss; a cameo appearance from club veteran Paul McEwan; the development of Hitesh Pratap as a menace with ball in hand; and a single outright win provided reason to celebrate. Deserving of his own special mention, Hamish Brown established himself as the find of the season. From only the last three 2day matches, 'Hash' Brown took 18 wickets at an average of 18.11, with best innings figures of 7 for 28 from 16 overs. 'Brownny' also contributed with the bat with a quite destructive 64 against Hornby.

Lastly I'd like to thank the 29 players who turned out for the team during the season.

Andrew Logie

Team Boon

New life was breathed into Team Boon this season with a number of Junior Boons joining the ranks. These include a number of ex 1st 11 and rep team players keen to immerse themselves within the Boon environment. Over the season we had 27 individuals pull on the beige at some time during the season. Thanks go all those that played when needed along with our Sponsor No. 4 bar for all their support off the field. The season itself would be classified as a success, with a 3rd place finish in the gruelling 3A grade (won 12, lost 5). Both the teams above were beaten by Team Boon in during the season, but a couple of slip ups cost us gaining further honours.

Stats for Team Boon 2012/13

- Boon of the Year – Phil McKay
- Batsman of the Year – Scott Kilday (333 runs @ av of 42)
- Bowler of the Year – Phil McKay (25 wickets @ av of 15, econ 3.81, S/R 24)
- Best in Field – Shashank Kumar
- Best Bowling – Sam Rendall (6/16)
- Best Innings – Andrew Fergus (131)
- Sixes Trophy – Sam Rendall (13)
- Duck Cup – Sam Rendall (3)
- Other Highlights –
 - Phil McKay blasting 88 from 30 balls to take Boon from 88/8 to an unlikely victory to chase down 205 over East Shirley (finished 2nd place).
 - Highest Team total 322/6

Andrew Fergus

3B SCG

The SGC side had a mainly mixed bag of a season. 'Mixed' being perhaps a generous term to be used. It didn't start well for the team, if one can remember the opening weekend of the season, it was a grey and miserable (southerly) day, starting at Redwood park. We did not enjoy our first victory until the third game into the season, when we took down LPW (who, in our own modesty are a bunch of teenagers).

The side enjoyed eight wins from the season and being placed third on the second tier after the season was separated into two divisions. We were at on stage, placed at fifth but we managed to climb the ladder towards the end of the season to end third.

A couple of notable performances included Oliver Snook averaging well into the 40s and leading in the run scoring department. No centuries were recorded by the side but Ollies 80 was the stand out high score for the season. He also did very well with the gloves and ball, occasionally opening the bowling. Hadley Trouson led the wicket taking department, with 32 wickets at an average of around 16. Our player of the season goes to Paul 'Stiffy' Fleming who always shows a keenness for the game, always turns up despite his transport limitations and is able to catch a ball despite having, one would like to imagine 40% poor vision. Catch of the season went to Stiffy when he plucked a one handed screamer at first slip.

Despite our less than desirable performances on the field, the side stuck together well throughout the season and we had a core of approximately seven to eight players who would continually turn up for the side. Ring ins were therefore a regular feature to our side and we more often than not got a playing 11 on the field albeit from a mate who knew a mate of a mate who knew a mate and sometimes as late as 12.59pm, or sometimes into the start of the fielding innings. Mikey Simon Taukawa Graham took the best figures for the side recording 6-22 (including hat-trick) in the final game, snatching victory from, yes, LPW (the teenagers) when SGC defended 66.

We tried to implement a fining schedule post every game and the largest fine was for not being at the fining session. After our loss to the 'teenagers' at Garrick Park, we also implemented a fine for not coming to practice which increased the turnout at our practices despite, in the end no one actually paying their fines rendering the above fairly useless most would agree. Greasy Giuseppe Vassalini (jew-sep-ee vasa-leri) had the highest fine amount, a whopping \$35 from just five games while the tight Robin 'Carboot' Ashton only amounted \$18 from 16 games. One would think he avoided taking catches or fielding the ball but his catching and fielding ability vastly improved over the season, including a stomach juggling effort at Centennial Park. One addition to the fining schedule was the 'Neville Brooker Shocker of the Day' (NBSOD) after he said most infamously "inswing, outswing, a little bit of ALL SWING"!!! Lets assume that he won the NBSOD most weekends. And if no one won it, it was awarded to Neville in default.

We look forward to the coming season and hopefully having a much more prosperous time.

Jack Mack

Presidents

Presidents had an enjoyable year, and were in contention for grade honours mid-season, but fell away in the latter part of the season to finish mid-table. Before Christmas when we struggled with the bat we were often able to counter with strong bowling performances to win tight games. At other times we batted well enough not to need to rely on the bowlers. There were five centuries this season, and twice there were two centuries scored in the same innings (Tim McConnell and Mike McIntyre at East Shirley and Kelvin Scott and Greg Pangiotidis against Sumner at Elmwood 4) leading to substantial totals and comfortable victories. But runs dried up later in the season and we lost 5 of our last 6 games as our somewhat fragile lower order struggled when our batting stars didn't fire.

Tim McConnell was the mainstay of the team, on-field captain, scoring 713 runs averaging just over 50, more than twice as many runs as any other batsman and always aggressively attacking the bowlers. Tim also took 16 catches and 5 stumpings to lead our fielding stats. Mike McIntyre averaged 109 in his three early season innings including a maiden century. Nathan Caldwell bowled particularly well to top the bowling stats with 19 wickets at an average of 16, ably supported by Andy Campbell and Kelvin Scott.

Our end-of-season dinner was notable for two retirement announcements. The ever young John Campbell played his last game after something like 35 years of Presidents cricket for Old Collegians and OBC, and has now moved north to Waiheke Island. Hamish Anderson, finished a long and successful career, most recently contributing much to organising the Presidents team, by adding to his career tally with a half century in his last innings. Thanks to both for the great contributions to the club.

James Barringer

Division 1 OBCC Womens Gold

The Division 1 girls team has a great season by finished 2nd in the one day competition and going through unbeaten and winning the T20 Competition. This season we had a good mix of experienced players and younger players. The younger players really stood up to the challenge of Div 1.

We batted extremely well throughout the season especially on some very dodgy pitches. Allie Mace-Cochrane top-scored this season with her maiden century with a score of 117, Allie was also awarded with most promising under 20 player. She was backed up well by Courtney Case who scored a couple of 50s. Alice Rountree, Emily Ashton and April Kerr scored some good runs throughout the season.

Courtney Case and Emily Ashton lead our bowling attack and both took a lot of wickets between them. Our Spinners Alice Rountree and April Kerr performed well all season and were hard to put away. Younger players such as Courtney Wiseman, Emma Stuart and Brittany Pringle continued to improve and took some very good wickets between them.

The team would like to thank all the youth players who filled in for us during the season and to Mandie, Dave, Adam and Charlie for coaching us this season.

Division 1 OBCC Womens Blue
